

# Ivory Palace™ Gardenia

## *Gardenia jasminoides* 'ST-15-20' PP36142

- **Use:** A true southern classic with an elegant twist. This beauty boasts creamy-white blooms that pop against deep green foliage, filling the air with that iconic sweet gardenia fragrance. Compact and slow-growing, it's perfect for containers, entryways, or a sunny spot in your garden. Hardy, low-maintenance, and oh-so-fragrant — it's like bringing a little piece of paradise home.
- **Exposure/Soil:** Prefers part sun! (May tolerate full sun, but then must have irrigation or good watering schedule!) Prefers well-draining soil and appreciates slow release fertilizer. RED CLAY MUST BE AMENDED! Water regularly, but does not like wet feet.
- **Growth:** Moderate grower to 3 feet tall, 2-2.5 feet wide.
- **Hardiness:** Zone 7-9; Shrub
- **Foliage:** Evergreen; Glossy dark green leaves.
- **Flowers:** Prolific spring bloomer with large, sweetly fragrant, velvety white flowers. Will repeat bloom in summer and fall.

Long blooming & fragrant!
