

# Snow Globe™ Gardenia

## *Gardenia jasminoides* 'WAH-SG' PP31088

- **Use:** This rebloomer will make you feel loved all summer long, as you enjoy extended flowering time. Low to no maintenance required for this beautiful landscape or patio star. Bursting with charm and fragrant blooms, this delightful shrub is sure to steal your heart and elevate your outdoor space to new heights of beauty and elegance. Whether planted as a focal point in your garden or used to create a fragrant hedge or border, the Snow Globe Gardenia adds a touch of sophistication and romance to any outdoor space.
- **Exposure/Soil:** Prefers part sun! (May tolerate full sun, but then must have irrigation or good watering schedule and you will get yellow leaves in hottest part of the summer) Prefers well-draining soil and appreciates slow release fertilizer. RED CLAY MUST BE AMENDED! Water regularly, but does not like wet feet.
- **Growth:** Moderate grower to 18-20" tall and wide. It is self branching, making an already compact plant bloom and grow fuller.
- **Hardiness:** Zone 7a-11; Shrub
- **Foliage:** Evergreen; Glossy dark green leaves.
- **Flowers:** Small, round, daisy-like, white flowers bloom in spring and summer amongst dark green foliage. Fragrant blooms with Excellent for beds, borders, or as cut flowers. With an extended flowering period, you can delight in the ethereal beauty and intoxicating fragrance of these exquisite blooms for months on end. Pro tip: to maximize bloom, trim lightly just after the first blooms have finished.

More disease resistant,  
more buds (try to count  
em!) and longer blooms than  
regular gardenia.
