

# Cherry-Go-Round® Reblooming

**A dense variety that works perfectly as a specimen plant, in patio containers, or as a border.**

## ***Hydrangea macrophylla 'Hokomaburlac' PP34379***

- **Use:** Deep cherry-red flowers arrive in late spring and continuously bloom through summer and fall. Excellent choice for patio containers, walkways and mixed garden beds. You'll never want to get off this ride!
- **Exposure/Soil:** Morning sun and afternoon shade is best as they need protection from afternoon suns and heat. Water regularly, when top 3 in. of soil is dry and for success an irrigation system is a must. Keep water off leaves as they don't like sprinklers. **DO NOT PLANT IN FULL SUN!**
- **Growth:** Grows 2-3' tall and wide.
- **Hardiness:** Zone 5-9; Shrub
- **Foliage:** Deciduous. Large heart shaped leaves. The fall color of the foliage is burgundy when the cool weather comes on long and slow.
- **Flower:** Boasts reblooming deep red mophead flowers that bloom late spring through summer. It is extremely bud hardy, so it will reliably bloom on both old and new wood.
