

# Sweet Starlight™ Panicle Hydrangea

**Works well in a mixed border, woodland garden, or even a large Container.**

## ***Hydrangea 'Pan1782hydr' PP35658***

- **Use:** Bright white flower panicles bloom every year and age beautifully from light to dark antique pink. Strong stems keep the gorgeous blooms from flopping open and the compact size will fit easily under windows for classically beautiful landscaping.
- **Exposure/Soil:** It thrives in morning sun afternoon shade, but also tolerates heat and humidity. Only plant in full sun if you have irrigation.
- **Growth:** Fast-growing to 4 feet high; 3-4' wide in only 3 –4 years.
- **Hardiness:** Zone 3a-8a Shrub
- **Foliage:** Deciduous. Large, dark-green leaves are a beautiful foil for the flowers.
- **Flower:** Bright white blooms age beautifully from light to dark antique pink and are held up on strong stems. These blooms dry to tan and look lovely in dried crafts! *Note that the pink color requires cold nites and if not cold enough will not turn pink.*
