

# My Lady™ Holly

## *Ilex x 'EN5' PPAF*

- **Use:** A vigorous growing, pyramidal holly with dark green leaves. When sheared, it flushes out evenly, maintaining its natural shape. A hybrid between red and blue hollies. It makes a beautiful specimen plant, or planted in groups for privacy screening. A holly hybrid developed from Liberty Holly and Blue Prince Holly, notable for its dense, naturally pyramidal form, cold hardiness, heat tolerance, and adaptability.
- **Exposure/Soil:** Full sun to part shade. Use slow release fertilizer for best results.
- **Growth:** Fast growing; reaches 15-20' tall and 10-15' wide.
- **Hardiness:** Zone 6-9, Large Shrub/Tree
- **Foliage:** Evergreen Dark bluish-green foliage.
- **Flower:** Partner with a male blue holly pollenizer for a prolific berry set.

**Excellent heat tolerance and berries at Christmas!**
