

Mini Jazz Hands Fringe Flower

Loropetalum chinensis 'Jazz Hands Mini'

- **Use:** A new ground covering dwarf variety with black-purple foliage that holds its color all season long. Showy pink flowers contrast with the dark, rich leaves. It is a wonderful little plant for the front of the border, or used in a decorative container.
- **Exposure/Soil:** Water regularly, when top 3 in. of soil is dry. Use slow release fertilizer two times a year. Full– part sun.
- **Growth:** Moderate growing 10-12” tall and 36” wide.
- **Hardiness:** Zones 7-9; Shrub
- **Foliage:** Evergreen. Black-purple foliage that holds its color all season long.
- **Flower:** The emergence of dark fuchsia frilly flowers in spring only add to the excitement this shrub brings to the garden.

**A splash of color
for your garden
and great in pots.**
