

'Goshiki' Sweet Tea Olive

Osmanthus fragrans 'Goshiki'

- **Use:** Lovely new selection with new growth of the variegated leaves tinged with pink and orange maturing to yellow. The Japanese name refers to the five foliage colors. Makes a great evergreen accent.
- **Exposure/Soil:** Prefers full sun to part sun. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Sweet Olive can grow up to 10-12 feet high and 10-12 feet wide, but easily pruned to keep even shorter! This plant is great for use as a small tree, espalier, or screen.
- **Hardiness:** 7-10 shrub, small tree
- **Foliage:** Evergreen shrub with broad upright growth and has dark green finely toothed foliage.
- **Flower:** Tiny tubular white flower clusters with an apricot-like fragrance blooming from spring through fall, these are followed by bluish black fruit.

FRAGRANT!
