

Illuminati Arch® Mockorange

Top reasons to grow Illuminati Arch Mock Orange:

- **Never-before-seen space-saving habit takes up a fraction of the room of older varieties**
- **Very fragrant white flowers in late spring/early summer have a sweet fragrance that carries on the warm breezes**
- **Deer resistant and drought tolerant**

Philadelphus coronarius 'SMNPBD' USPP 32,351

- **Use: Old-fashioned charm, modern day performance!** Mock orange has long been beloved for its romantic white flowers, full of a sweet, orange blossom fragrance. But mock oranges were a bit ratty and messy, not really garden-worthy plants. Illuminati Arch® mock orange changes that! Enjoy the elegant, arching habit, sweetly fragrant flowers, and handsome, clean foliage that looks great all season. Imagine a fragrant hedge, or a striking specimen - or plant in your perennial garden and bring back those memories of Grandma's garden!
- **Exposure/Soil:** Prefers morning sun with shade from 2-3pm onwards in warmer locations (North of zone 7 can take all day sun). Water regularly, when top 3 in. of soil is dry.
- **Growth:** Fast grower to 4' tall and 3-4' wide. It blooms on old wood, so any pruning you do wish to do should be done after flowering.
- **Hardiness:** Zone 4b-7b Shrub, May have trouble with Atlanta area heat. This shrub will be happier in Northern Georgia or could be trialed with morning sun and afternoon shade for experienced gardeners.
- **Foliage:** Deciduous. Oval, dark green leaves.
- **Flower:** Strongly scented, double white flowers with pointed petals in mid-summer.
