Rhododendron 'Conlee'

Encore® Series Azalea

- **Use:** With its dark lavender blooms, lustrous green summer foliage and attractive purple winter foliage, Autumn Amethyst® offers vibrant year-round color to any garden. Use this azalea in your landscape or garden as a specimen, accent, low hedge or foundation. Preliminary university trials have shown it to be one of the most cold hardy varieties of the Encore® Azalea line.
- **Exposure/Soil:** Provide 4-6 hours of full sun (morning best), for best blooms, with some shade during the afternoon heat to protect from burning. Water regularly, when top 3 in. of soil is dry. Feed twice a year with a slow release fertilizer. Prefers slightly acidic well drained soils.
- **Growth:** Moderate grower to 4 feet tall and 4 feet wide.
- **Hardiness:** Zone 6a-10b; Shrub
- **Foliage:** Evergreen. The lush, dense green foliage grows into a semi-upright form.
- **Flower:** It has 2 inch diameter, single, vibrant purple flowers in spring, fall, and sporadically throughout the summer.
