

# Encore® Autumn Twist® Reblooming Azalea

Intermediate

## *Rhododendron 'Conlep'*

## *Encore® Azalea*

- **Use:** Amidst the unique white and purple striped blooms an occasional, completely purple bloom will appear. Combined with its beautiful dark green foliage, Autumn Twist's® unique color pattern makes this variety a festive and fast growing addition to any garden. This random bloom nature creates a fantastic display when planted in groups. An initial bloom symphony of white and magenta will greet you in spring. Afterward, expect the Autumn Twist® to bloom up to 2 more times; with up to 3 bloom cycles being possible every year!
- **Exposure/Soil:** Provide 4-6 hours of full sun (morning best), for best blooms, with some shade during the afternoon heat to protect from burning. Water regularly, when top 3 in. of soil is dry. Feed twice a year with a slow release fertilizer. Prefers slightly acidic well drained soils.
- **Growth:** Moderate grower to 4 feet tall and 4.5 feet wide.
- **Hardiness:** Zone 6a-10b; Shrub
- **Foliage:** Evergreen. The lush, dense green foliage grows into a semi-upright form.
- **Flower:** This reblooming azalea features unique magenta purple and crisp white 3" blooms that emerge in unpredictable patterns. Some have purple stripes, some are all white with purple spots, while some emerge completely purple! Blooms in spring, summer, and fall.
