Rhododendron 'Robleze' 32506

Encore® Series

- **Use:** A stunning new bi-color variety, Autumn Starburst® blooms in coral pink with bold white margins against dark evergreen foliage. Autumn Starburst® offers a compact, mounding growth habit and profuse blooms sporadically spring to fall.
- **Exposure/Soil:** Provide 4-6 hours of full sun (morning best), for best blooms, with some shade during the afternoon heat to protect from burning. Water regularly, when top 3 in. of soil is dry. Feed twice a year with a slow release fertilizer. Prefers slightly acidic well drained soils.
- **Growth:** Moderate grower to 3 feet tall and 3.5' feet wide.
- **Hardiness:** Zone 6a–10b; Shrub
- **Foliage:** Evergreen New growth emerges a bright green before maturing to a deep green.
- **Flower:** Coral pink blooms with large white ruffled edges, single to semi-double form blooms measure 2.5" across. After the spring blooming period, these amazing azaleas begin growing new shoots and start blooming into full flower in mid-summer.
