

# Alnwick® Rose

DAVID AUSTIN®

David Austin roses are prized for their unique combination of old rose charm (fragrance and flower shape) with the health and repeat-blooming qualities of modern roses, making them a gardener's favorite for their beauty, fragrance, and reliability.

## *Rosa 'Auswalker'*

- **Use:** The Alnwick Rose® grows into a rounded, bushy, continually blooming plant with flowers blossoming intermittently from early summer to frost. She is moderately fragrant with a blend of old rose fragrance and a hint of summer raspberry. She is a great choice for beds, borders, or pots! Pretty, many petalled, cupped blooms of soft pink. There is a rich Old Rose fragrance with raspberry notes. It flowers in flushes from early summer until the first frosts. It forms a nicely rounded, slightly upright, bushy shrub with plentiful, glossy green foliage.
- **Exposure/Soil:** Full sun preferred. They must have well-drained soils, so if you have red clay you must amend it. Water regularly, when top 3 in. of soil is dry. Keep water off the leaves (no sprinklers/ don't water leaves.)
- **Growth:** Grows to 4' tall and 3' wide.
- **Hardiness:** Zone 5-11, Shrub
- **Foliage:** Deciduous. Foliage is dark green and disease resistant.
- **Flower:** Features pretty, rich pink, cup-shaped buds opening into a deeply cupped flower of soft pink with pale outer edges. True to the old rose form, her flowers are beautiful at all stages. Repeat blooming. 120+ petals
