

Gabriel Oak® Rose

David Austin roses are prized for their unique combination of old rose charm (fragrance and flower shape) with the health and repeat-blooming qualities of modern roses, making them a gardener's favorite for their beauty, fragrance, and reliability.

Rosa 'Auscrowd' PP32849

- **Use:** A magnificent variety, bearing medium sized, many petalled rosette blooms. They are a striking shade of deep pink, the outer petals of each bloom paling slightly over time. The beauty of the blooms is enhanced by a wonderful, strong fruity fragrance. A vigorous rose; it forms a very shapely, broad, rounded shrub with mulberry purple stems and dark green foliage, giving the overall impression of richness and abundance. Named after the beloved character in Thomas Hardy's novel, Far from the Madding Crowd.
- **Exposure/Soil:** Full to part sun. They must have well-drained soils, so if you have red clay you must amend it. Water regularly, when top 3 in. of soil is dry. Keep water off the leaves (no sprinklers/ don't water leaves.)
- **Growth:** Grows to 4' tall and 4' wide.
- **Hardiness:** Zone 4-11 Shrub
- **Foliage:** Deciduous. Foliage is dark green and disease resistant.
- **Flower:** This beauty has large (3.5-4") bright pink to fuchsia flowers with up to 125 petals tightly packed in rosette form. As the buds open, the outer petals lighten but the intense fruit fragrance remains strong. The singular blooms open so wide they nearly reach back to touch the deep-colored canes. Excellent repeat bloomer.
