

Golden Celebration® Rose

Rosa 'Ausgold'

- **Use:** One of the largest-flowered English Roses, bearing rich yellow blooms in the form of giant cups. They have a strong Tea fragrance, developing wonderfully combined notes of Sauternes wine and strawberry. It forms a rounded shrub, with ample foliage – the flowers held beautifully poised on long, arching branches. We love her as a hedge, in a bed, or in pots.
- **Exposure/Soil:** Full to part sun. They must have well-drained soils, so if you have red clay you must amend it. Water regularly, when top 3 in. of soil is dry. Keep water off the leaves (no sprinklers/ don't water leaves.)
- **Growth:** Grows to 4.5' tall and wide.
- **Hardiness:** Zone 5-11 Shrub
- **Foliage:** Deciduous. Foliage is dark green and disease resistant.
- **Flower:** Large, deeply cupped, 3" flowers with up to 75 petals per bloom. Her color is unusually deep and rich golden-yellow with an exceptional fragrance of sweet wine and strawberries. Just delicious! Her blooms are set against dark, glossy green foliage on this repeat bloomer.

David Austin roses are prized for their unique combination of old rose charm (fragrance and flower shape) with the health and repeat-blooming qualities of modern roses, making them a gardener's favorite for their beauty, fragrance, and reliability.
