

Yellow Knockout Rose

Thrives in humid climates and requires little spray and maintenance.

Rosa x 'Radsunny'

- **Use:** This newest release from Rose Breeder, Bill Radler is the only fragrant member in The Knock Out® Family of Roses. It has a slightly more compact and upright habit than The Knock Out® Rose. The dark, semi-glossy foliage contrasts nicely with the bright blooms.
- **Exposure/Soil:** Full to part sun. Plant anywhere you have 5 or more hours of direct sunlight each day. During the winter they prefer well-drained soils. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Rounded, bushy and well-behaved shrub, fast growing 3 to 4 ft. high and wide.
- **Hardiness:** 5-10 Shrub
- **Foliage:** Deciduous. Unsurpassed resistance to black spot leaf disease.
- **Flower:** Bright yellow flowers that fade quickly to a pastel cream color. The yellow color stays more intense during cooler times of the year.
