

Mister Lincoln Rose

One of the most well-known of the Hybrid Tea roses, he features long-pointed buds which open into large, well-formed, long stemmed, very full, 4" blooms of the deepest red. The velvety texture of the bloom is almost unbelievable. Mister Lincoln® has an outstandingly strong damask fragrance that seduces the senses.

Rosa x 'Mr Lincoln'

- **Use:** May be the best red Hybrid Tea of all time. Long stems and dark leaves with high-centered flowers that open fully and offer a wonderful, damask fragrance. Tall, vigorous and everblooming. All-America Rose Selections (AARS) Award
- **Exposure/Soil:** Full to part sun. During the winter they prefer well-drained soils. Water regularly, when top 3 in. of soil is dry.
- **Growth:** Grows 3'-6' tall and 2' wide.
- **Hardiness:** Zone 7-11; Shrub
- **Foliage:** Deciduous. Dark green foliage. Very good disease resistance.
- **Flower:** A classic, deep velvety-crimson rose with a strong fragrance. The buds are a dark velvety red, the color lightening to cherry red as the blooms open. 35 petals
