

# The Generous Gardener® Rose

## *Rosa 'The Generous Gardener'*

- **Use:** Bears beautifully formed flowers, which nod gracefully on the stem. When the petals open they expose numerous stamens, providing an almost water lily-like effect. The flowers are a pale glowing pink and have a delicious fragrance with aspects of Old Rose, musk and myrrh.
- **Exposure/Soil:** Full preferred. They must have well-drained soils, so if you have red clay you must amend it. Water regularly, when top 3 in. of soil is dry. Keep water off the leaves (no sprinklers/ don't water leaves.)
- **Growth:** Grows to 15' tall and a medium climber.
- **Hardiness:** Zone 4-11, Vine
- **Foliage:** Deciduous. Foliage is dark green and disease resistant.
- **Flower:** Produces 4" flowers which are beautifully formed with soft glowing pink at the centers paling slowly to the outer petals. When the petals open they expose numerous stamens providing a waterlily-like effect. Good repeat flowering.

David Austin roses are prized for their unique combination of old rose charm (fragrance and flower shape) with the health and repeat-blooming qualities of modern roses, making them a gardener's favorite for their beauty, fragrance, and reliability.
