

Tall Guy® Arborvitae

Thuja occidentalis 'RUTTHU5' PP35,180

- **Use:** Tall Guy® is a moderate to fast growing, upright, columnar arborvitae that matures quickly and has no gaps in the habit from multiple leaders like other multi-stem varieties. This evergreen thrives in warm climates, does equally well in cold climates, and is resistant to Passalora/ Cercospora needle blight. Use Tall Guy® to create hedges or screens, or to anchor the landscape with some vertical appeal year-round.
- **Exposure/Soil:** Full to part sun. During the winter they prefer well-drained soils. Water regularly, when top 3 in. of soil is dry. Once established needs only occasional water.
- **Growth:** Moderate growth to 8-12ft. tall and 2 to 3 ft. wide.
- **Hardiness:** Zone 4 –8 Shrub
- **Foliage:** Evergreen. Bright green feathery foliage.
- **Flower:** Not known for flowers..

A great solution for hedges in tight spaces. Bred and tested in Georgia it is an improvement over Emerald Green Arborvitae in growth and disease resistance. Bred by Dr. John Ruter at the University of Georgia.
