

Yellow Ribbon Arborvitae

Bring elegance to your garden!

Thuja occidentalis 'Yellow Ribbon'

- **Use:** Distinctive for its very narrow habit. Showy dense foliage is golden-yellow color that is maintained throughout the year. Attractive evergreen for accents or screens; any-place where brilliant color is needed.
- **Exposure/Soil:** Full sun to light shade. During the winter they prefer well-drained soils. Once established needs only occasional water.
- **Growth:** Moderate-growing to 8 to 10 feet high, 2 to 3 feet wide.
- **Hardiness:** 4-8 Shrub
- **Foliage:** Glossy dark green leaves; crumpled, crowded, flat sprays held at various angles; thin, horizontal, spreading branches.
- **Flower:** Not know for flowers.
