

Sonic Bloom® Wine Reblooming Weigela

Weigela florida 'SMNWFG' PP35120

- **Use:** Turn up the drama with Sonic Bloom® Wine weigela. It has both delicious dark foliage color and prolific reblooming, making it a pretty powerful element in the garden. Bubblegum pink blooms arrive spring through summer, delighting pollinators like butterflies and hummingbirds. It fits nicely in borders, foundation plantings, and containers. When Dress up the middle of your border with this prolific bloomer! Pest and disease resistant. Requires only a minimum of care to yield years of beauty. Superb as a solo specimen, or plant three or more together to create a colorful hedge. Versatile plant excellent for foreground of shrub beds or as background for flower borders.
- **Exposure/Soil:** Best flowering occurs in full sun, but light afternoon shade is helpful in the summer heat. Prefers well-drained soils but fairly adaptable to other soil types. If necessary, prune immediately after the spring bloom.
- **Growth:** Moderate grower to 4'-5' tall and 3-4' wide. Blooms on new and old wood.
- **Hardiness:** Zone 4a-8b; Shrub
- **Foliage:** Deciduous. Foliage has a handsome dark purple color that provides excellent contrast to flowers.
- **Flowers:** Incredible bubblegum-pinkblooms, which smother the plant in spring, obscuring the foliage, and come back repeatedly through summer and fall to extend the show. As an added delight, the flowers, at times, will surprise you with a hot-pink, star-like marking. And they say Easter eggs are only for movies and video games! No deadheading is needed to see strong reblooming through summer and fall. Loved by butterflies & hummingbirds, and gardeners alike!
