

Sioux Crape Myrtle

Heat loving small tree
with lots of color!

Lagerstroemia 'Sioux'

- **Use:** It grows well in limited soil spaces in urban areas such as along boulevards, in parking lots, and in small pavement cutouts if provided with some irrigation until well established. Very drought tolerant. Highly resistant to powdery mildew.
- **Exposure/Soil:** Full/part sun; well-draining soil and appreciates slow release fertilizer. Water regularly. They tolerate clay and alkaline soil well. Prefers not to have water on the leaves.
- **Growth:** Grows 10' or more taller
- **Hardiness:** 6-9; Multi-stemmed shrub or small tree.
- **Foliage:** Deciduous. Fall color is orange/brown.
- **Flowers:** Pink blossoms.
