

Red Emperor Mandevilla Trellis

Mandevilla x 'Red Emperor'

- **Use:** Excellent for patio containers and trellises, this selection's large, glossy foliage forms a bushier vine with larger trumpet-shaped flowers than other forms. Blooms appear throughout the summer. So easy to grow! They will tolerate the hottest sun and humidity! Attracts lots of hummingbirds. Great to climb up your mailbox. The Giant group has large flowers and displays much vigorous growth. Even more gorgeous than Giant Crimson, Red Emperor® is a new premium mandevilla with the highest number of large, striking red flowers. Outstanding disease resistance.
- **Exposure/Soil:** Full– part sun. Moist, well-drained soil, but not soggy. Use slow release fertilizer two times a year. Water regularly, when top 3 in. of soil is dry. Prefers to be root bound so if you plant in the ground be sure to plant them pot and all in the ground so you can easily bring it inside for the winter.
- **Growth:** Fast-growing to bushy vine with stems 10 to 15 ft. long.
- **Hardiness:** Zone 9-11; Annual, Must bring inside in the winter.
- **Foliage:** Long oval leaves. Evergreen if brought indoors in winter
- **Flower:** Large red trumpets. Blooms April– October nonstop!

**Great to train
on your mail-
box or to put
in a planter
near the
pool.**
