

Pink Champagne Clematis

Clematis 'Pink Champagne'

- **Use:** “Queen of the climbers.” Clematis are prized for their incredible flowers, most as large as your hand. Will train onto trellises, fences, or arch over doorways. Stunning when used alone or when several colors are mixed.
- **Exposure/Soil:** Full sun–shade (not deep shade); Water regularly, when top 3” of soil is dry. Prefers to have its roots shaded and its flowers in the sun. Use slow release fertilizer twice a year. Once established needs only occasional water.
- **Growth:** Fast grower to 8 feet long, but still compact enough to be grown in a container. It is a member of pruning group 2 (light prune) so a tidy up in late Feb or early March is all that is required.
- **Hardiness:** Zone 3-9; Perennial, Vine
- **Foliage:** Deciduous. Delicate green foliage grows quickly.
- **Flowers:** Festive, deep-pink flowers can reach six to eight inches in diameter. Petals are uniquely striped with white bars. Blossoms abundantly in early summer, repeating in late summer to early autumn.

**A must have vine
in the garden for
beginner
gardeners.
Repeat bloomer.**
